

The months of September and October have been productive and snowy months for BMS. With one month of education and routines under our belt, BMS staff and students began progress monitoring our STARMath and ISIP scores. Student’s progress monitor their reading and math scores bi-weekly in their Advisory class and are learning how to access their data by themselves using their iPads. We are proud to announce that we are making improvements and students are feeling successful. The students are making gains in their academics and this is very exciting for the students and the staff. We have a lot to celebrate and we strive to advance in a forward motion. September is our baseline score for all BMS students.

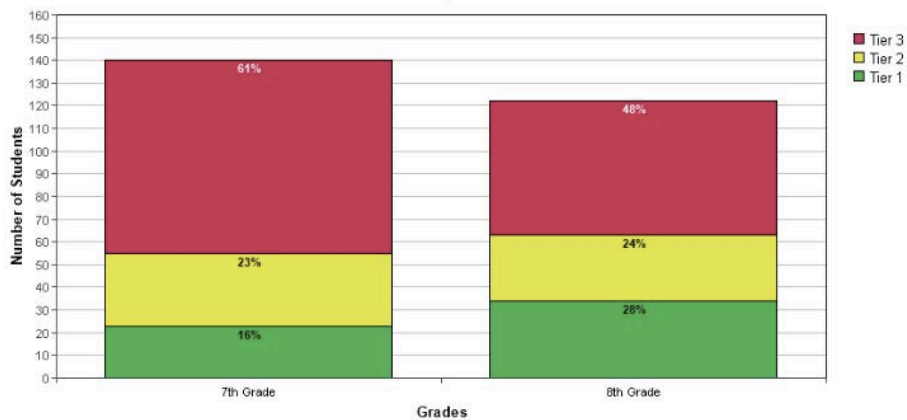

### Summary

[Edit Report](#) [Save Report](#) [Export Di](#)

### ISIP™ Early Reading results for [Browning Middle School](#)

at Browning Public Schools - 2019/2020 School Year

All Grades - September 2019

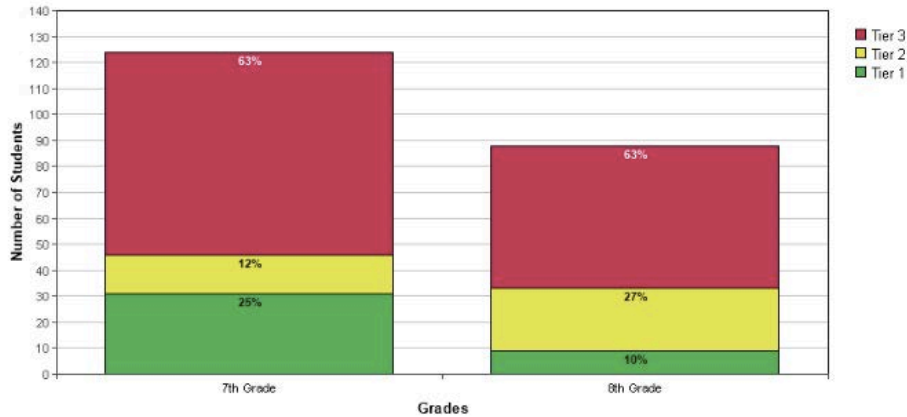

Tier	7 <sup>th</sup>		8 <sup>th</sup>
3	85 (61%)		59 (48%)
2	32 (23%)		29 (24%)
1	23 (16%)		34 (28%)

In October, the Tier 2 and Tier 3 students were tested and there are already gains which we are celebrating. The following data is the Tier 2 and Tier 3 students’ scores in October. The data shows that the students are already improving, with some students already testing in Tier 1. BMS will continue to progress monitor this group of students until January.

ISIP™ Early Reading results for **Browning Middle School**

at Browning Public Schools - 2019/2020 School Year

All Grades - October 2019

Tier	7 <sup>th</sup>		8 <sup>th</sup>
3	78 (63%)		55 (63%)
2	15 (12%)		24 (27%)
1	31 (25%)		9 (10%)

**Awards Assembly:**

1<sup>st</sup> Quarter Awards Assembly will be November 15<sup>th</sup> in the BMS Gymnasium. 7<sup>th</sup> Grade @9 am. and 8<sup>th</sup> Grade @ 9:30 am. You're all welcome to attend.

**STEM/STEAM Classes at BMS:**

BMS has made a shift this quarter and changed the Study Hall classes to STEM or STEAM Classes. The goal is to provide a hands-on approach and alternative learning style to education. It is currently an elective class and we will continue to develop the class as the year progresses on. Stay tuned for updates each month.

**Renovation Update:**

The construction at BMS is underway and the focus has been on the north side of the building while the weather is permitting. With a lot of support and understanding, the electives pod at BMS has been vacated and all rooms have been cleared for the upcoming demolition. The specials classes have been relocated throughout the building and the students and staff have been amazing during this big change. The renovated classrooms will consist of the Wood Shop, Art Room, Home Economics Room and a newly renovated and larger hallway which will lead into the new construction of Browning Middle School. The early phases of the renovation have begun this week and the construction crew is prepping the area for the full demolition and renovation to occur now that the outside temperature and snow are falling. We are very excited at BMS!

**Data for October:**
