

Livonia Public Schools

Office of Communications

To: Board of Education
From: Stacy Jenkins, Administrator of Communications
Date: September 15, 2016
Subject: Summer Bond Projects Presentation

After touring the district at the start of the 2016-2017 school year, it is my pleasure to present to the Board of Education a slideshow presentation during the Monday, September 19 regular meeting.

I look forward to sharing some “before” and “after” photos of the Summer 2016 Phase III renovations that occurred at Grant Elementary, Hoover Elementary, Randolph Elementary, Johnson Upper Elementary, Holmes Middle School and the completion of Franklin High School, along with the start of the performing arts center project at Stevenson High School.

We are pleased to share this incredible work, made possible by the 2013 bond issue, with the Board of Education and the community.

Thank you.
