Background Information

As per M.S. 124D.78, the Native American Parent Committee approved a resolution of non-concurrence with educational programming for American Indian children in Red Wing Public Schools. The School Board must respond to the resolution on or before April 20, 2021.

During discussion of the issue at a School Board meeting on March 15th, there was a reference to forming an ad hoc committee of the board to provide feedback to a rough draft of the district's response. As a result, my recommendation is to formally approve an ad hoc committee and comply with other expectations outlined in Policy 213. This committee can meet publicly to discuss the response before a resolution is presented to the school board on April 19th.

An alternative to the recommendation is to approve the attached Resolution in Response to Letter of Non-Concurrence. This could be considered depending on feedback from the parent committee during its meeting on March 31st.

Recommendation

I move to approve the Resolution Establishing an Ad Hoc Committee to Provide Feedback about a Response to a Letter of Non-Concurrence.
