### Girls Basketball

The Ladycat Basketball team showed significant growth throughout the season, especially in the second round of district. Despite struggling early on, they were competitive against teams that finished 3rd, 4th, and 5th, often leading for much of the game and entering the 4th quarter with a chance to win. This improvement highlights the progress they made, though it also revealed areas like finishing games and learning how to close out victories. While the overall record may not reflect their progress, there is a lot to build on moving forward.

### **Boys Basketball**

Bobcat Basketball secured a playoff berth this past Tuesday with a win over Tyler High. They are now set to face Lucas Lovejoy in the first round of the playoffs, with the location and time still to be determined. This team has been winning games through their strong defensive effort, high energy, and excellent athleticism. There's one game remaining against Texas High next Tuesday, and a win would secure a third-place finish in the district behind Lufkin and Mt. Pleasant.

### Boys Soccer

Boys Soccer is in a tough battle for playoff contention in District 10-5A, a district that is always highly competitive, especially with Jacksonville and Lufkin now added to the new alignment. This past weekend, they suffered a heartbreaker against Whitehouse, losing by just one goal after Whitehouse scored with 20 seconds left. However, with a strong finish to the season, the team remains in the hunt for a playoff spot.
