WORK STOPPAGE

The Board is obligated and committed to provide certain basic services to students participating in District programs. Therefore, if the schools are open and students are in attendance, those basic services will be provided.

Recognizing the fact that a District, for various reasons, could experience an unauthorized work stoppage, the Board remains committed to providing educational and related services to the schools and will fulfill its obligations to operate the schools when possible.

Support staff members who fail to perform their normal duties when so required as part of a concerted unauthorized work stoppage will be subject to loss of pay and fringe benefits, including paid insurance coverage, as well as disciplinary measures in accordance with the laws of the State.
