Background Information:

Manor ISD is partnering with ESC 13 to develop curriculum unit maps due to limited curriculum coordinator capacity and to provide teachers curriculum maps to implement our program/course.

In regards to the Biliteracy Kindergarten Curriculum Units, ESC 13 will collaborate with the Manor ISD Multilingual Education Team to develop a year-long scope and sequence and unit maps that support the 80/20 Dual Language program model for Kindergarten. These unit maps will support 80% of Spanish Language Arts Instruction and 20% English Language Arts Instruction in Kindergarten. This will be used as a model to develop 1st-6th grade Dual Language curriculum unit maps.

In regards to the Latin American History Curriculum Units, ESC 13 will collaborate with the Manor ISD Academics Division to create a scope and sequence, unit maps, and resources for the semester-long high school course. The current unit maps need to be developed further and be inclusive of all Latin American cultures.
