School Improvement Team

On January 21st, the School Improvement Team will participate in a full-day workshop to analyze current initiatives and plan upcoming spring events, including the student assembly and retirement celebrations. The team will also research common classroom experiences across both campuses, and update our celebration materials and collaborate on a new video project. I would like to extend a sincere thank you to the following staff members for volunteering their time to improve MCHS: Chris Tagler, Georgia Kaminski, Kathy Kipp, Christine O'Brien, Jen Hanson, Jenny Wolfe, Liz Sherrick, Alison Kelly, Kim Villani, Monican Hannigan, Josh Bell, Nicole Lehning, Christina Murry, Angie Ferro, Susanne Madding, Adrianna Walker, Ellie Bell, and Carrie Kravitz.

Student Focus (Strategic Plan)

The Student Focus team continues to develop activities to better understand student needs and cultivate a positive school environment. On January 28th, we will deliver our fourth early release activity, which provides tailored support for each grade level: organization and study tips for freshmen and sophomores, ACT preparation for juniors, and guidance on maximizing the final semester for seniors. To further integrate student voices, we are forming a four-grade level student advisory group to provide feedback on classroom experiences, safety, involvement, and social-emotional support.

February Student & Staff Involvement Events

Throughout February, students and staff will have numerous opportunities to showcase school spirit and support their peers. Key events include:

- **February 5th:** The community is encouraged to 'PACK the PAC' for the Band Concert at 7:00 p.m.
- **February 9th–13th:** REACH and Class Committees will host a Spirit Week; dress-up days will be announced shortly.
- **February 14th:** The Choir Night of Entertainment begins at 6:30 p.m. in the PAC.
- **February 24th:** Groups will compete at Trivia Night in the Central Campus Cafeteria.
- **February 27th:** The month concludes with the Winter Formal at the South Cafeteria at 6:30 p.m.
