Immunization Requirements	(me Dep lete aga	Each student shall be fully immunized against diphtheria, rubeola (measles), rubella, mumps, tetanus, and poliomyelitis. The Texas Department of State Health Services (TDSHS) may modify or delete any of these immunizations or may require immunizations against additional diseases as a requirement for admission to any elementary or secondary school. <i>Education Code 38.001(a), (b)</i>			
	Students in kindergarten through twelfth grade shall have the fol- lowing additional vaccines, according to the immunization sched- ules set forth in TDSHS regulations: pertussis, hepatitis B, hepatitis A (as applicable to the grade levels specified in state rule), and var- icella (chickenpox). TDSHS requires students enrolling in seventh through twelfth grades to have one dose of meningococcal vaccine on or after the student's 11th birthday. <i>25 TAC 97.63</i>				
	Not	te: <u>Immunization requirements¹</u> and the <u>recommended im-</u> <u>munization schedule²</u> are on the TDSHS website.			
	tiona hea	der Health and Safety Code Chapter 81, Subchapter E, addi- al vaccinations may be required by TDSHS and/or the local lth authority in specific situations under the mechanism of a trol order containing control measures. <i>25 TAC 97.72</i>			
Immunization Awareness Program	A district that maintains an Internet website shall post prominently on the website:				
	1.	A list, in English and Spanish, of:			
		 The immunizations required by TDSHS for admission to public school; 			
		 Any immunizations or vaccines recommended for public school students by TDSHS. The list must include the in- fluenza vaccine, unless TDSHS requires the influenza vaccine for admission to public school; and 			
		 Health clinics in the district that offer the influenza vac- cine, to the extent those clinics are known to the district; and 			
	2.	A link to the TDSHS Internet website where a person may ob- tain information relating to the procedures for claiming an ex- emption from the immunization requirements. The link must be presented in the same manner as the information provided under paragraph 1.			
	Edu	ucation Code 38.019			
Applicability		e vaccine requirements apply to all students entering, attending, olling in, and/or transferring to a district. 25 TAC 97.61(a)			
DATE ISSUED: 7/6/2018	}	1 of 6			

Exceptions	Immunization is not required for admission to a district:			
	1.	If the student submits to the admitting official:		
		a.	An affidavit or a certificate signed by a physician (M.D. or D.O.) who is duly registered and licensed to practice medicine in the United States and who has examined the student.	
			The affidavit or certificate must state that, in the physi- cian's opinion, the immunization required is medically contraindicated or poses a significant risk to the health and well-being of the student or any member of the stu- dent's household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.	
			or	
		b.	An affidavit signed by the student or, if a minor, the stu- dent's parent or guardian stating that the student de- clines immunization for reasons of conscience, including a religious belief. The affidavit will be valid for a two-year period.	
			The affidavit must be on a form obtained from the TDSHS and must be submitted to the admitting official not later than the 90th day after the date the affidavit is notarized.	
			A student who has not received the required immuniza- tions for reasons of conscience may be excluded from school in times of emergency or epidemic declared by the commissioner of state health services.	
			or	
	2.		e student can prove that he or she is a member of the ed forces of the United States and is on active duty.	
		n Code 38.001(c), (c-1), (f); Health and Safety Code a), (d)(2), .0041; 25 TAC 97.62		
Provisional Admission	has imm leas	begu uniza	may be provisionally admitted or enrolled if the student n the required immunizations. The student must have an tion record that indicates the student has received at dose of each age-appropriate vaccine specified in the ns.	

Completion of Vaccinations	To remain enrolled, the student must continue to receive the nec- essary immunizations as rapidly as medically feasible. The student must complete the required subsequent doses in each vaccine se- ries on schedule and as rapidly as is medically feasible and pro- vide acceptable evidence of vaccination to a district.
Review of Status	A school nurse or school administrator shall review the immuniza- tion status of a provisionally enrolled student every 30 days to en- sure continued compliance in completing the required doses of vaccination. If, at the end of the 30-day period, a student has not received a subsequent dose of vaccine, the student is not in com- pliance and a district shall exclude the student from school attend- ance until the required dose is administered.
	Education Code 38.001(e); 25 TAC 97.66(a); Atty. Gen. Op. GA- 178 (2004)
Homeless Student	A student who is homeless, as defined in the McKinney-Vento Homeless Assistance Act, shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. The school shall promptly refer the student to an appropriate health provider to obtain the required vaccinations. [See FD and FDC] <i>25 TAC</i> <i>97.66(b); 42 U.S.C. 11302</i>
Child in Foster Care	A student who is a "child in foster care" as defined by 45 C.F.R. 1355.20(a) shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. The school shall promptly refer the student to an appropriate health provider to obtain the required vaccinations. [See FD] <i>25 TAC 97.66(c)</i>
Transfer Students	A student can be enrolled provisionally for no more than 30 days if the student transfers from one Texas school to another, and is awaiting the transfer of the immunization record. <i>25 TAC 97.69(a)</i>
Military Dependents	A military dependent can be enrolled provisionally for no more than 30 days if the student transfers from one school to another and is awaiting the transfer of the immunization record. [See FDD]
	The collection and exchange of information pertaining to immuniza- tions shall be subject to confidentiality provisions prescribed by federal law.
	Education Code 162.002 art. IV, C; 25 TAC 97.69(b)
Evidence of Immunization	A student shall show acceptable evidence of vaccination before entry, attendance, or transfer to a district. 25 TAC 97.63(2)
	Vaccines administered after September 1, 1991, shall include the month, day, and year each vaccine was administered. The follow- ing documentation is acceptable:

	1.	Documentation of vaccines administered that includes the signature or stamp of the physician or his or her designee, or public health personnel; immunization records generated from electronic health record systems must include clinic contact information and the provider's signature/stamp;				
	2.	An official immunization record generated from a state or local health authority; or				
	3.	A record received from school officials including a record from another state.				
	25	25 TAC 97.68				
	hep mea nes	ologic confirmations of immunity to measles, rubella, mumps, patitis A, hepatitis B, or varicella are acceptable. Evidence of asles, rubella, mumps, hepatitis A, hepatitis B, or varicella ill- ses must consist of a valid laboratory report that indicates ei- r confirmation of immunity or infection.				
	ser hist acc <u>doc</u>	ritten statement from a parent, legal guardian, managing con- vator, school nurse, or physician attesting to a child's positive ory of varicella disease (chickenpox) or varicella immunity is reptable in lieu of a vaccine record for that disease. [<u>The form to</u> <u>cument the history of varicella illness (PDF)</u> ³ is on the TDSHS posite.]				
	25	TAC 97.65				
Immunization Records	ord or t	parent or other person with legal control of a child under a court er enrolls the child in a public school, the parent or other person he district in which the child most recently attended school shall hish to the district a record showing that the child has:				
	1.	The immunizations as required by law;				
	2.	Proof as required by law that the child is not required to be immunized; or				
	3.	Proof that the child is entitled to provisional admission under law.				
		ucation Code 25.002(a)(3), 38.001; 25 TAC Chapter 97, Sub- apter B				
	the sha plet	ch district shall keep an individual immunization record during period of attendance for each student admitted. The records ill be sufficient for a valid audit or other assessment to be com- ted. The records shall be open for inspection at all reasonable es by TEA, local health departments, or the TDSHS. Immuniza-				

		records may be maintained in paper and/or electronic form. Ication Code 38.002(a); 25 TAC 97.67		
Transfer of Records	Each district shall cooperate in transferring students' immunization records to other schools. Specific approval from students, parents, or guardians is not required before transferring those records. <i>Education Code 38.002(b)</i>			
Annual Report	Districts shall submit annual reports of the immunization status of students, in a format prescribed by TDSHS, to monitor compliance with immunization requirements. All districts shall submit the report at the time and in the manner indicated in the instructions printed on the form. <i>Education Code 38.002(c); 25 TAC 97.71</i>			
Consent to Immunization	In addition to persons authorized to consent to immunization under Family Code Chapters 151 (parents) and 153 (conservators), the following persons may consent to the immunization of a child:			
	1.	A guardian of the child; and		
	2.	A person authorized under the law of another state or a court order to consent for the child.		
	Fan	nily Code 32.101(a)		
	The district in which the child is enrolled may give consent to the immunization if:			
	1.	The persons listed above are not available; and		
	2.	The district has written authorization to consent from a person listed above.		
	Family Code 32.101(b)(5)			
	A district may not consent for the child if it has actual knowledge that a person listed above has:			
	1.	Expressly refused to give consent to the immunization;		
	2.	Been told not to consent for the child; or		
	3.	Withdrawn a prior written authorization for the district to con- sent.		
	Fan	nily Code 32.101(c)		
Consent by Child	the tody tion	hild may consent to the child's own immunization for a disease if child is pregnant or is the parent of a child and has actual cus- of that child, and the Centers for Disease Control and Preven- recommend or authorize the initial dose of an immunization for disease to be administered before seven years of age.		

	Consent by a child to immunization is not subject to disaffirmance because of minority. A health-care provider or facility may rely on the written statement of the child containing the grounds on which the child has capacity to consent to the child's immunization.
	Family Code 32.1011
Duty to Provide Information	A district that consents to immunization of a child shall provide the health-care provider with sufficient and accurate health history and other information as set forth in Family Code 32.101(e).
Form of Consent	Consent to immunization must meet the requirements of Family Code 32.002(a). [See FFAC] A district has the responsibility to en- sure that the consent, if given, is an informed consent. A district is not required to be present when the immunization is requested if a consent form has been given to the health-care provider.
	Family Code 32.101(f), .102
Liability	A district consenting to immunization of a child is not liable for damages arising from an immunization administered to a child au- thorized under Family Code Subchapter B except for injuries re- sulting from the district's own acts of negligence. <i>Family Code</i> <i>32.103</i>
