

KILLEEN ISD CALL FOR QUALITY SCHOOLS

Texas Partnership Update

Tuesday, February 10th, 2026

Context & Purpose

Texas Partnership Overview

In fall 2025, Killeen ISD initiated the process to become a charter authorizer. During this time, the administration presented the authorizing framework and initial partnership opportunities to the Board of Trustees, including an overview of Third Future Schools.

Since then, the district has taken deliberate action to strengthen its authorizing role, including updating governance policies, adopting an authorizer mission and vision, filing its intent to request SB 1882 benefits with TEA, launching an official Call for Quality Schools, and evaluating a potential operating partner.

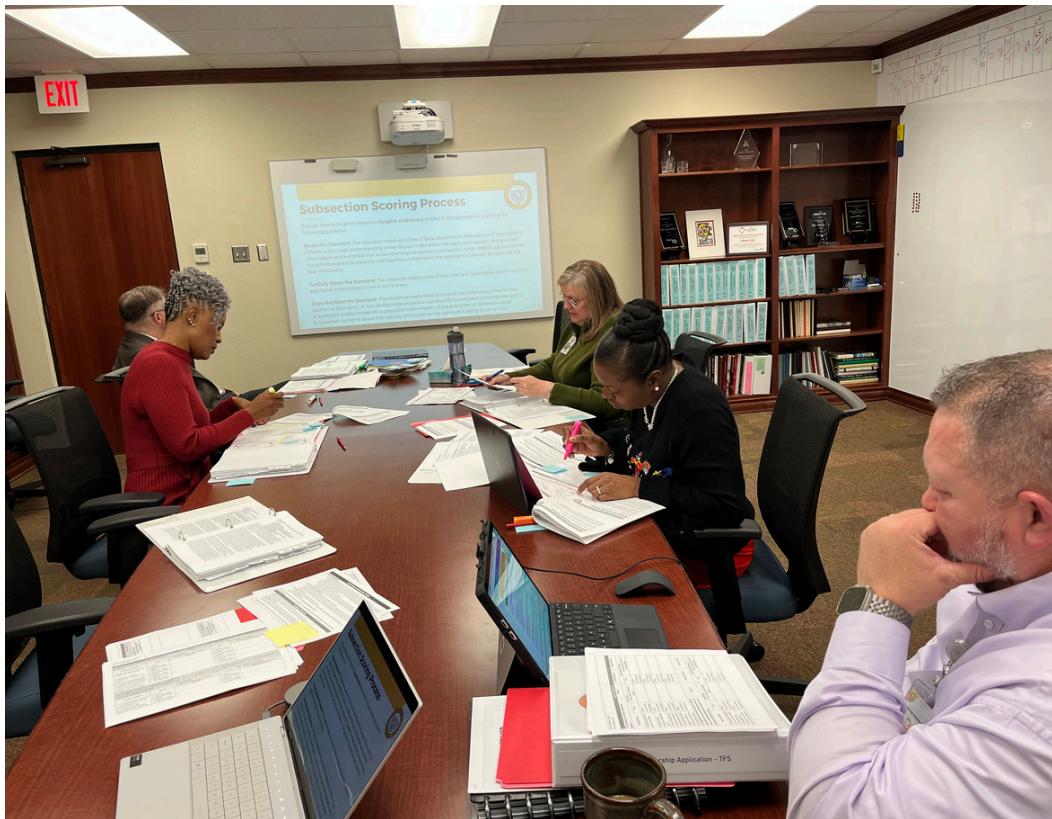

Tonight's update provides an overview of the district's progress in the Call for Quality Schools process.

Application Evaluation

Due Diligence & Capacity Interview

- **Evaluation team composition:** Members were selected based on demonstrated expertise in Academics, Operations, Finance, Human Resources, and Parent/Community Partnerships.
- **Evaluation framework:** The team evaluated the application using the TEA model rubric, which includes 82 success criteria across multiple domains.
- **Domains reviewed:** Academic Plan, Financial Plan, Governance & Operations, and Existing Partnerships.
- **Rating approach:** Each criterion was assessed and rated as Meets, Partially Meets, or Does Not Meet.

Third Future Representatives:
Superintendent
Chief of Staff
Chief of Strategy & Innovation
Senior Director for TX & LA
Director of Special Programs

Application Evaluation

Operating Partner Recommendation

- Based on the preponderance of evidence from the application and capacity interview, the evaluation team rated Third Future Schools (TFS) as meets or partially meets in all domains.
- As a result, the evaluation team recommends that the Killeen ISD Board of Trustees approve engaging Third Future Schools as the operating partner for Manor Middle School.
