Winter Sports

Boys Basketball...

As a program, the boys "A Teams" finished the season with a 22-5 record! This record is with some added tough out of conference competition.

Recently, our 8th grade Boys Basketball Team claimed the title of district champions with a win over McCall. This gives them back to back championship seasons. They also were able to win the Summitvue Basketball Tournament against mostly 5A and 6A schools.

The 7th grade team finished fourth in the league and tournament play.

Spring Sports

Track...

Middle school track is scheduled to start with their first practice on March 9th. We currently have 40 athletes signed up to participate in track and field. We are looking forward to a great season.
