

## Information Item

**Date:** February 10, 2025

**Division:** Accountability and Evaluation

**Subject:** Public Hearing on Texas Academic Performance Report (TAPR) for 2023-24

**Background Information:**

- The Texas Education Agency (TEA) requires each district to publicly report data from the Texas Academic Performance Report (TAPR).
- The TAPR contains data from a variety of sources including but not limited to the series of STAAR assessments, graduation rates, Advanced Placement, SAT, ACT, and demographic information.
- Additional information regarding the metrics and methodologies utilized in creating the TAPR can be found in the TAPR glossary located at <https://rptsvr1.tea.texas.gov/perfreport/tapr/2024/glossary.pdf>
- At this time, A-F ratings have not been issued for campuses or districts due to pending legal action.

**Administrative Consideration:**

- At this time, campus and district ratings have not been issued due to pending legal action.
