

Babb Elementary Board Report

April 2025

Enrollment=15 students enrolled

Congratulations to our honor roll student Mia Potts and our 2nd & 3rd qtr attendance awardees: Emma Hall, Rylynn Gopher, Lillian Evans, Oceanna Gopher, Kynncia Kramer, Jaycee Flammand, and Mia Potts.

Assessments

The students worked hard and finished up all of their MAST tests for Window 3 We had 100% of our student test.

Sports

Basketball finished up strong. We played our last game and won. We then ate at Subway. That is always a treat for our students as we are located 45 minutes from town. Thank you Coach Savannah (our custodian). We appreciate you!

We are now on to track and Coach Kim (our cook) is looking forward to the season. Our students enjoy being able to have some after school activities and come to town to play.

Glacier County Library

Glacier CountyLibrary usually gives our Babb 3rd grade students free books but it hasn't happened in a while due to COVID, so to get back on track they gave books to our 4th and 5th graders! We appreciate their generosity!

Thank you Babb Elementary Community for your support!
