

## SCHOOL BOARD MEETING REPORT

**Board Meeting Date:** May 15, 2019

**Superintendent:** Dave Valenzuela

**Administrator/Staff:** Scott Polen

**Type of Item:** ☐ *Informational* ☒ *Action*

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

We request that the Board consider a proposal to take Lorna Byrne Middle School 8th grade students to Redding California to enjoy the water park on June 7, 2019.

The 8th grade students and a small group of parents have done an excellent job of raising money for this annual celebration for our students who are "moving up" to high school.

**Provide history/background information on your proposal:**

A celebration for our 8th grade students is an annual event at Lorna Byrne Middle School. Plans are made based upon fund raising, and this year, our students are able to go to the Redding Calif. water park.

**List the advantages of your proposal:**

Our students have earned a celebration, and this is their selection.

The water park is a healthy activity.

Redding is not far away in comparison to other options the students considered (Florence and Portland Metro were considered also).

The money raised covers all costs and leaves next year's 8th grade class at least \$1,000.00

**List possible disadvantages of your proposal:**

No practical disadvantages really as this option is not far away, no more expensive than the other options discussed (dune rides, family fun centers, water park in McMinnville).

It is in California, which requires others' time in over-seeing this request.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

No practical disadvantages really as this option is not far away, no more expensive than the other options discussed (dune rides, family fun centers, water park in McMinnville).

It is in California, which requires others' time in over-seeing this request.

**Superintendent's recommendation(s):**

**Approve:** Yes ☒ No ☐

  
SB U:\Forms\615 Board Agenda Report

## **8th Grade End of Year Trip**

This is a celebration of completing Middle School and moving on to High School.

The 8th grade class has worked very hard at raising funds for this trip. The students have bagged groceries at Shop Smart and also Grocery outlet, had concessions at various events, a bake sale and are currently selling tickets for a basket raffle!

The class is very ambitious and would love to bag groceries again, have another bakesale with a car wash as the weather permits. The activities are being planned to cover all the costs of this trip.

This will be a positive, light-hearted event that we hope will continue to bring together this class. They will be the High School graduating class of 2023.

## **EXPENSES:**

Transportation (2 busses)	$\$803 \times 2 = 1606.00$
Per Diem for 2 bus drivers	<u><math>\\$30 \times 2 = \\$60.00</math></u>
