Unity Student Council: Attending the Fall Leadership Conference

Numerous members and student leaders attended the Wisconsin Association of Student Council's Region 1 Fall Leadership Tour. During their time, they were lucky enough to hear from keynote speaker, Melvin Adams, who is a former member of the Harlem Globetrotters. Amongst other topics, his primary focus was having the Student Council leaders from all of the Region 1 school consider what type of legacy they will leave as student leaders. During their time, they also had an incredible

opportunity to spend time with other district teams and share ideas, learn about various programs, and build strong connections. The High School Student Council has been incredible over the past 5 years, and the guidance and leadership they gain from being a part of such an excellent organization is tremendous. They have strong Council leaders, and they receive quality training and experiences under the leadership of Mrs. Wilhelm, the Student Council Advisor. Keep it up!

What's New?- The Unity Athletics Page

Prior to the winter break, Unity School District implemented a new social media page committed to providing consistent, quality communication for all of the High School and Middle School athletics. Parents and community members alike can view the page to find out weekly events, game times, locations, new programming opportunities, and occasionally there

will be information regarding youth athletics as well. The primary focus is to create a "one-stop-shopping" experience for all things Unity Athletics. For sport-specific information and team highlights, parents and community members are encouraged to like and follow the team pages directly. If you haven't yet checked out the Unity Athletics page, do so soon!
