

# SOUTH SAN ANTONIO INDEPENDENT SCHOOL DISTRICT

## Agenda Item Summary

Meeting Date: **June 21, 2023**

Agenda Section: **Consent**

Agenda Item Title: **Approval to Submit Application to the Texas Education Agency (TEA) for Attendance Waivers for Low Attendance Days for the 2022-2023**

From: **Kathleen Antoon, Director of Assessment and Accountability**

Additional Presenters if Applicable:

Description: **The TEA permits school districts to submit attendance waivers for missed instructional and low attendance days due to weather, health, or safety related issues. Districts may request these waivers as a district or on a campus by campus basis. A waived day of instruction is removed from the calendar for the requested schools and functions like a holiday, so it is not included in attendance funding calculations, but will still allow you to count up to 420 waiver minutes towards your operational calendar.**

**Low attendance is defined as a day of attendance at least ten percentage points lower than the prior year's percent of attendance as reported to TEA in Summer PEIMS. State funding for the district is based on attendance, so low attendance days have a negative impact. The recommended Application for Low Attendance Days for the 2022-2023 School Year are as follows:**

**Waiver request for three SSAISD campuses:  
015908001 South San Antonio High School  
015908041 Dwight Middle School  
015908044 Zamora Middle School**

**On October 21, 2022, campuses reported attendance percentage points below last year's district overall percentage of 86.27% attendance (South San HS - 66.76%, Dwight MS 60.19%, Zamora MS 70.06%). In the afternoon of the prior day 10/20/2022, campuses had a false report of a terroristic threat. Due to safety concerns by the public, many families chose to keep their children at home on 10/21/2022.**

**If approved by the Board, the waiver request will be forwarded to TEA. Online applications for attendance waivers must be submitted to TEA no later than the end of July for the 2022-2023 school year. Once approved by TEA, updates to the student attendance data will be made by TEA for the 2022-2023 school year.**

**Historical Data: South San Antonio ISD monitors Low Attendance Days annually and submits waivers when applicable.**

**Recommendation: Request to approve the Administration's recommendation to submit attendance waiver applications to the Texas Education Agency (TEA) on behalf of SSAISD schools.**

(C) does not know who send the threat. (C) stated she reported to her mom after school on 10/19/2022, the mom would then report it to South San Antonio ISD Central Office. Central Office would then report it to Zamora Middle School Administrationl.

2. There is no viable way to track who would send an airdrop. (PO) would close this case. If any other detailes would surface (PO) would continue to add information as a supplement. EOR.
