Personnel Budgeting

Plan for the future of your workforce with confidence, knowing you've accounted for every layer of the cost.

✓ Efficiently plan for new positions and vacancies
✓ Compare salary and benefits across scenarios
✓ Improve collaboration across departments
✓ Gain the upper hand in union negotiations
✓ Track edits in an audit trail for historical record

Discover streamlined salary and benefits forecasting.

Visualize metrics in a powerful dashboard
Experience a holistic perspective of your staffing statistics and effortlessly compare salary and benefits budget scenarios.

Streamline position requests
Efficiently manage new position requests from departments and instantly see how each position affects the budget.

Plan for vacancies efficiently
Create and fill vacant positions on specified dates easily and include these in your various budget scenarios.

Demystify union negotiation planning
Set up units and create multi-year scenario plans to analyze the impact of salary and benefit adjustments.

Create multi-year forecasts
Create scenarios forecasting into the future and manage your budget by dollar amount or percentage adjustments.

Build reports effortlessly
Access pre-built reports or create your own easily to share comprehensive personnel budget data with stakeholders.

Personnel budgeting is a really powerful tool, so if you ever need to adjust your personnel expenses, assumptions, pay, healthcare, retirement, or FTEs, then it's not too hard. I think if you were to do it in Excel, you don't even know for sure if everything in Excel is all correct. If we were to do it again, we would.

Easily create, customize, and export tailored reports for a comprehensive view of your budget.

Pulling data from our financial software and putting it in Excel creates a lot of room for errors. We spent hours laboriously reconciling data across multiple spreadsheets and tabs, and every time a last minute change was made it created a ripple effect that triggered more reconciliation. ClearGov eliminated that reconciliation and shaved off more than 70 hours from our annual budget process.
