Any supporter that mentions Manzanita when purchasing books triggers a donation of 5% of the total sale to Manzanita's library. (We must exclude public institutional sales from this program.)

Even orders through [www.oregonbooks.com](http://www.oregonbooks.com) qualify.

As an example of how all this works, if you have just 50 supporters buying \$10.00 worth of books each month, your library would have \$300.00 during the year to spend. Please come in soon and pick out some great books for your kids
