Summary: The Texas Education Code (TEC), §39.306, requires each district's Board of Trustees to publish an annual report that includes the District's Texas Academic Performance Report (TAPR). In addition to the Accountability page on our District website, the TAPR is available on the Texas Education Agency Performance Reporting page under Texas Academic Performance Reports. The TAPR comprises the main part of the District's Annual Report.

Additionally, a district's annual report must include PEIMS Financial Standard Reports, district accreditation status, campus performance objectives and progress made towards them, a report of student violent or criminal incidents, information about the performance of the previous year's graduates as received from the Texas Higher Education Coordinating Board (THECB), and progress towards the House Bill 3 Board Goals.
