### Call to Action on HB 4813: Better School Lunches for All Students

HB 4813, the Better School Lunches Act, passed the House in an overwhelming 104-0 vote, indicating that Illinois Representatives believe all students across our state deserve access to the highest quality food while they are at school.

The bill seeks to remove the lowest price bid requirement for Illinois schools participating in the National School Lunch Program. Illinois is currently only one of two states that still requires districts to accept the lowest bid for food contracts.

The Better School Lunches Act now faces a hearing in the Senate Education committee before a floor vote can be considered, and we need your help in getting it through committee next week.

Please take a moment to use the link below and send an email to members of the Senate Education committee in support of HB 4813.

Thank you for your support and consideration.

Sincerely,

Madeline McCune  
Director of Governmental Relations  
Illinois Association of School Administrators/Illinois Association of School Business Officials
