School Board Meeting Agenda Item

Topic: Transportation RFQ
Presenter(s): Bob Jaszczak, Superintendent

Nature of Action Requested

Board Action	☒
Board Information or Report	☐

Background Information

Superintendent Jaszczak will present updated information on a Transportation RFQ.

A transportation Request for Quote (RFQ) is a formal document used by shippers to request detailed price quotes from carriers for specific shipping needs. It outlines the requirements, such as the scope of work, delivery timelines, and quality standards, to allow carriers to provide precise pricing. The primary goal is to find the lowest cost option from qualified providers by comparing the submitted bids.

Recommendation

I move to approve a call for a Request for Quotations for student transportation services beginning in FY27, (next school year).
