Academics

- Our teachers have been working hard all summer with professional development. Our Math and ELA departments across the Jr/Sr High School are continuing to build capacity in their new curriculums for the start of this school year.

School Events

- We are excited to start off the school year again with a fun event for our Senior class. This year we will be offering a Senior Parking Spot Paint prior to the school year. We are looking to build some excitement to the school year with a positive school activity. Our goal is to continue to build school culture and get our students engaged in Tiger pride!

Open House

- Open house is scheduled for August 13th from 6:00-8:00. We are excited to get the school year started and looking forward to meeting our Tiger Families!
