

Lincolnshire-Prairie View School District 103

Memo

To: Board of Education
From: Dr. Scott Warren
Date: May 1, 2025
Re: Student Representatives

Beginning in the 2025–2026 school year, the Board of Education will welcome two 8th-grade student representatives from Daniel Wright Junior High School. These students will serve as non-voting members and will not attend closed session meetings. Their role will be to provide valuable student perspectives on school and district matters, helping to ensure student voices are represented in Board discussions.

The student representatives will be introduced at the Board of Education meeting.
