

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: October 15, 2012

AGENDA ITEM: Consider Approval of Bid for Asphalt Resurfacing at AMS Stadium

PRESENTER: Earl Husfeld

ALIGNS TO BOARD GOAL(S): Financial/Facilities – The District shall exhibit excellence in financial and facility planning, management, and stewardship.

BACKGROUND INFORMATION:

- During the May and June regular board meetings, information was shared with the Board of Trustees explaining the need to address deferred maintenance items at the seventh grade section of Aledo Middle School and at the Middle School Stadium.
- The majority of these identified projects were completed during the summer months. The primary remaining item is the resurfacing of the walkways and common areas at the Middle School Stadium.
- In accordance with Board Policy CH (Local), a notice to bidders was advertised seeking sealed bids to perform this project.

ADMINISTRATIVE CONSIDERATIONS:

- The District is pleased to report six (6) sealed bids were received in response to the advertisement. The following page provides a listing of these bids.
- After review and evaluation of the bids received, the recommendation is to make the award to the low bidder, JT's Asphalt & Concrete.
- While the District has no experience working with this company, District Staff does not anticipate any issues on a project of this relatively limited scope.

FISCAL NOTE:

\$50,000 of this bid cost will be paid from budgeted funds in the 2008 Capital Projects Fund. The remaining portion will be paid from budgeted funds in Function 51 of the General Fund.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees award the bid for Asphalt Paving around Aledo Middle School Stadium Field to JT's Asphalt & Concrete in the amount of \$68,193.00.
