Budget Committee

Organization, Membership and Terms of Office

The district budget committee will consist of the seven members of the Board and seven electors appointed by the Board as required by law. The term of the appointed members of a budget committee in a district that prepares an annual budget will be three years each with appointments made so that, as nearly as practicable, the terms of one-third of the members expire each year. At least one member of the budget committee must be a member of the district's educational equity advisory committee¹. The Board will establish appropriate timelines and procedures for appointment of budget committee members.

A majority of the constituted committee is required for passing an action item. Majority for a 14-member budget committee is 8. Therefore, if only 8 members are present, a unanimous vote is needed for passing an action item.

Recommendations to the Board for appointments are the responsibility of the Board representatives. Each Board member shall nominate a candidate to the budget committee. Every effort shall be made to provide equal representation on the budget committee for each area of the district. Board members may wish to request assistance from local advisory committees for the selection of budget committee members.

Presiding Officer and Orientation of Budget Committee

1. Organization: The budget committee will hold its first regular organizational meeting on a day set by the Board. A presiding officer shall be elected from among its members at this meeting. Such meeting may be prior to or on the date the budget message and document are presented.
2. Background Information: Budget committee members will be provided with data for the ensuing year(s), such as the Board's educational plan, and other pertinent material bearing on the preparation of the district's budget.

¹ The district is not required to include a member of the educational equity advisory committee on the budget committee if no member of the committee is willing or able to serve on the budget committee.

on the budget document. The budget officer shall announce the time and place for all meetings, as provided by law. All meetings of the budget committee are open to the public.

Function of the Budget Committee

It is the function of the budget committee to approve budget estimates for an educational plan previously determined by the Board. No new program should be considered for the budget estimate that has not previously been submitted to the Board and approved as a part of the educational plan. The budget committee will determine levels of spending, but will not determine programs.

Final Action

The budget committee will approve an estimated district budget document for submission to the Board.
