## Transportation

April 28, 2025

### Priorities

- ☒ **Priority 1:** Recruiting, Hiring, Coaching, and Retaining High Quality Teachers and Staff to Support Student Outcomes.

We held a Ride N' Drive event, which gives non-CDL holders the opportunity to test drive a school bus with a trainer onboard, in conjunction with Panther Palooza on Saturday, April 12, 2025 and had 4 participants!

- ☒ **Priority 3:** Maximizing Co-Curricular and Extra-Curricular Opportunities, Performance, and Engagement.

With our improved staffing we have been able to offer route coverage for bus drivers to accept extra-curricular field trips during route times. This gives students the opportunity to participate in their selected sport/class and remain in their academic classes for as long as possible for that day.
