Insights on Reading Data

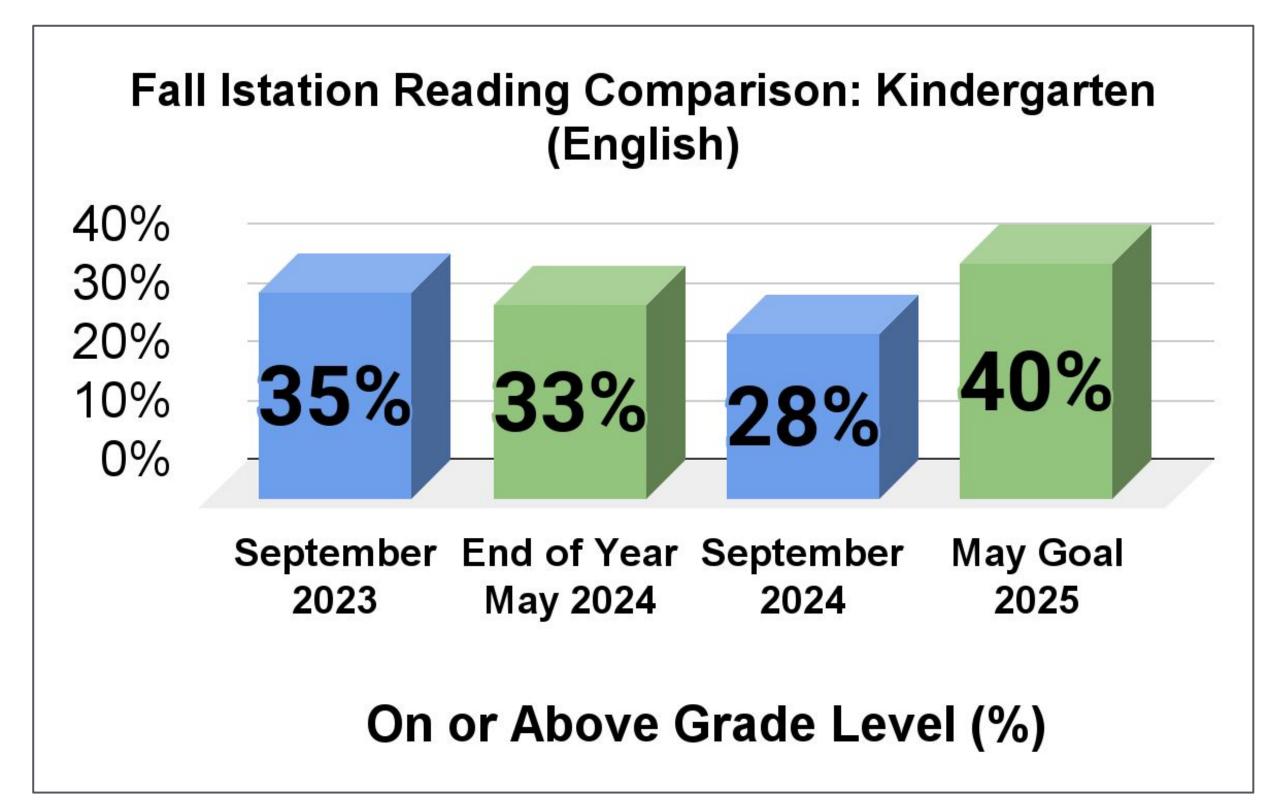

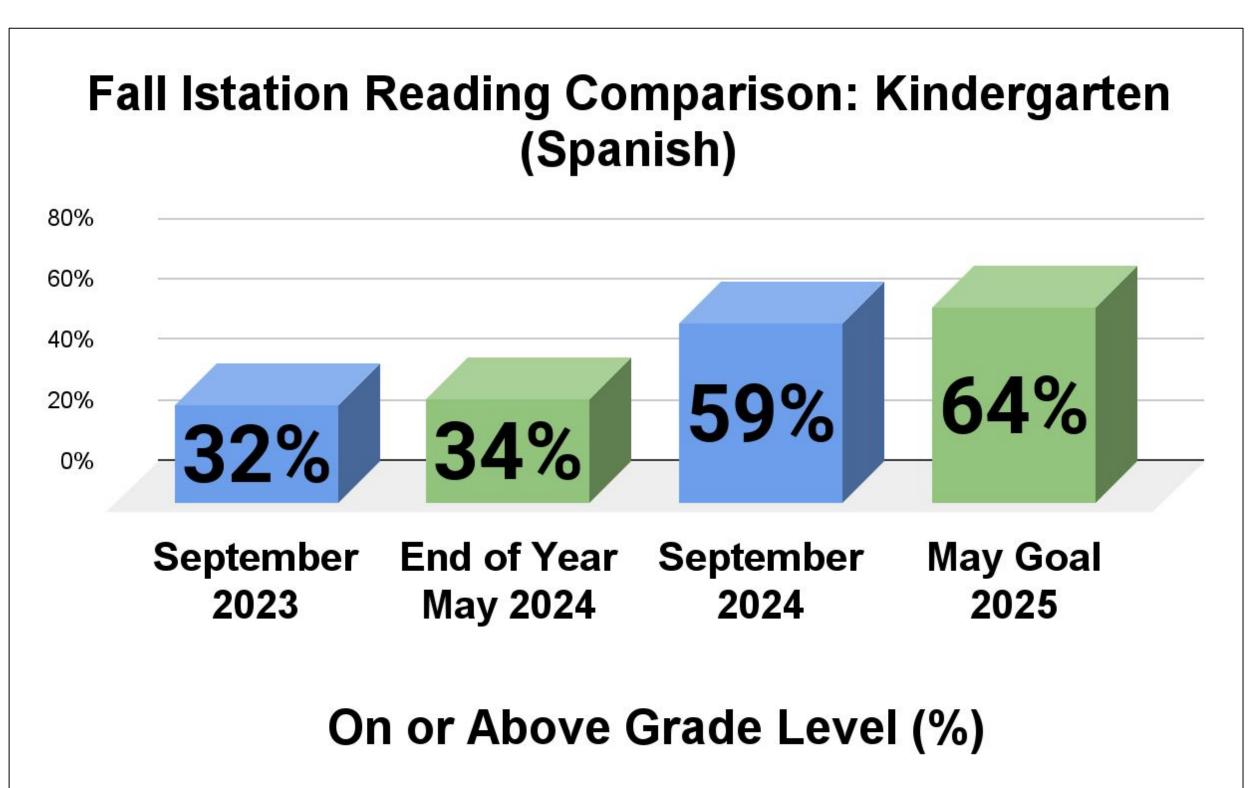

- The Istation Reading English Assessment data only students in monolingual classrooms.
- The Istation Lectura Assessment data only students new to country (0-3 years) w/ Spanish as native language & students in dual language classrooms.
- •Both assessments increase in complexity over the course of the year as students develop their content knowledge.

^{*}The fluency scores for 2nd & 3rd graders are not included in the beginning of year or middle of year data - only reflected in the end of year data. This text fluency addition will impact the end of year scores.
