It is recommended that the Kent ISD School Board approve the annual renewal of the Cisco Smart Net support contract for network switches and routers, to be purchased through People Driven Technology, in the amount of \$48,665.22.

BACKGROUND:

Cisco Smart Net is the support and maintenance contract for the Cisco network infrastructure that powers our wide area network and connects Kent ISD to its constituent districts. This agreement provides 24/7 coverage and next-business-day hardware replacement.
