

North Valley High School

Knightline Newsletter

October 2016

From your Principal . . .

Dear North Valley Families:

We have certainly started the 2016-2017 school year with a strong parade of accomplishments that make North Valley a good place to be:

- Our students are taking their responsibilities seriously.
- Our teaching staff is cohesive and focused on learning.
- Our classified staff has us well-organized and documented.
- We have a #1 rated girls soccer team and #5 rated football team.
- Our student leadership group had an awesome Freshman first day and our first pep assembly was our best in 5 years.

We are working hard on student achievement. I am very proud of the huge progress being made by students and adults who support them.

Linda McClanahan, assistant principal, is leading an effort to re landscape our median below the gate. She is collecting volunteers, equipment and financial support so the upgrade is permanently beautiful. If you would like to be a part of our effort, she would love to hear from her.

Please plan on attending parent conferences on November 17 and 18. Details will be on our website.

In late October a parent satisfaction survey will be available online. As part of our accreditation visit in April, our evaluators will be looking at how our full community rates the quality of our services to students. I appreciate your input. We will also have the survey available on the conferences dates in November.

Sincerely,

Dennis Misner, Principal
