- Title: We met with each grade level on February 1st to review our Winter Benchmark data and form new intervention groups. 35 DD Reading Groups and several DD Math Groups began today based on that updated information. The professional development sessions that occurred in late January were well-received and there are six 2nd-4th grade teachers starting a class-wide intervention to work on helping their students build fluent reading skills. The students who are participating will be Progress Monitored every 3 weeks to see how the intervention is working. Teachers will make ongoing adjustments as needed. We are planning a Title I Family Engagement Night to take place this Spring. More details to follow.
- Boys and Girls Club (Jenna Larkin):

Professional Development

- Title's presentation by Tammi Snyder on Paired Reading went well with all six teachers in attendance, each adopting a form of it for their classroom.
