SUBJECT Refurbishment of Marquee at Bonneville High School

Bids are attached. Julie's Sign Shoppe is who we would like to use. The reasoning for choosing Julie's Sign Shoppe is as a central hub of the community, the information that is put out on the sign is vital to help the community stay informed. The larger surface area of the screen allows for increased lines of text. This makes the sign more visible from a greater distance

In addition, the Lexan panels for the Julie's Sign Shoppe bid are a thicker Lexan material (0.177 compared to 0.150) which provide greater stability and less likely to flex and bow over time.

Bonneville High School currently has \$30,000 raised for the marquee. There is an alumni group that is setting up a fundraiser that believes they will cover the remaining amount. Anything not covered would be able to be covered by Bonneville High School.
