Board Responses to Proposed Changes

Date sent to district: November 26, 2024

Consultant: Tammy Jordan

This document lists the proposed policy changes resulting from the recent policy review session with the superintendent and administrative team. In general, the proposed changes to your policy manual are intended to better reflect the district’s current practices, omit provisions that are no longer necessary in board policy, and align with current law.

Please indicate the board’s decisions and return this document to your policy consultant.
