### SENIOR INFORMATION

Pages 5 and 6 of this newsletter have important information for the parents of seniors. Please make sure you read it all and put important dates and times

### A MESSAGE FROM THE PRINCIPAL

As most of you know, the senior class and I are getting ready to graduate into the next phase of our lives in a few short weeks. After nearly 30 years in education and 10 years at Illinois Valley High School, I am going to have the chance to do all the things there just hasn't been time to do. The thing I am most looking forward is spending more time with my family and giving them 100% of my attention when I am with them. I am also planning to take a vacation in the September or October—something I have never done. Vermont in the fall and Prince Edward Island in the summer are both travel goals for the future.

My years in education and particularly my years teaching at Lorna Byrne and being an administrator at IVHS have been a wonderful experience that I would not trade for anything. The children in this valley have amazed me with their tenacity, intelligence and sweet spirits. I will miss them dearly and I will never forget them.

IVHS is blessed to have such a caring staff. I know that Mr. Alderson is going to do his very best for this school and your children are in good hands under his and Mr. Osborne's leadership.

Dr. Seuss said, "Don't cry because it's over. Smile because it happened." My memories will be a constant source of joy and will bring me many smiles.

After receiving an automated call concerning your student's absences from our new phone messaging system, Synervoice, please call the school in the morning to clear your student's absences. The number is 541-592-2116; ask for the attendance office. It is very important for you and your student to have these absences cleared. Students end up doing lunch detentions for uncleared absences.

We will sometimes use Synervoice to send out important messages about school closures and school events. When you get a call from the school using Synervoice, it is important that you say "hello" as this triggers the message. If you have voicemail, it will leave a message. If you have email registered with the school, we will often send emails as well.

## Soccer Camp

The boys and girls soccer teams from Illinois Valley High School will be hosting their second annual Summer Soccer Skills Camp this summer. Camp will be held August 6<sup>th</sup> through the 10<sup>th</sup> on the campus of IVHS, and is open to all current and prospective high school players for the upcoming fall season. The camp includes half-day sessions for both the girls and the boys teams, with sessions to be held separately. Guest coaches are provided by Challenger Sports and drawn from a pool of highly-qualified European players and coaches. "We hosted our first team camp last summer" explains boys head coach Gary Enoch, "and it was such a huge success that we are anxious to do it again."

The camp features some conditioning training, but mostly focuses on skill development and team tactics. Last year, both teams had about 95% participation, and Enoch says he hopes to see a similar response this year. The cost per player is \$50 for the full week. For more information, players and parents are asked to contact Enoch at IVHS at 541-592-2116 or by email at [gary.enoch@threerivers.k12.or.us](mailto:gary.enoch@threerivers.k12.or.us)

## SENIOR SKIP DAY

Parents, please note that there is **no** sanctioned senior skip day. We do not encourage nor endorse a skip day for seniors. From past knowledge and experience most senior skip days involve alcohol and drugs and often older ex-students attend and provide those things. Things that the students did not plan happen—sometimes with serious consequences. Additionally, in the past several years there has been serious vandalism done to the property where the gatherings took place. Senior classes have lost some of their senior funds because of this vandalism.

If senior students take a skip day, **absences will not be excused.**

We ask for parents to help us with this and encourage your students to not participate in a senior skip day.

## SENIOR PROJECTS—MUST BE COMPLETED TO GRADUATE !

The last opportunity for seniors to present their projects is May 22, 2012 from 4:00 – 5:45. Most of the seniors have presented at the previous two opportunities. Senior parents, please, work with your student and encourage them to not procrastinate. Passing all components of the Senior Project is a requirement for graduation.

## SENIOR ALL NIGHT GRAD PARTY

Remember that students must check into the All-Night Safe and Sober Party in the IV Commons by 11:00 PM. Students arriving after that will not be admitted. The party will end at 5:00 AM. Parents need to know that students can leave any time they want to, but once they have left, they will not be allowed to come back to the party. Please talk to your student about communicating with you concerning his or her plans for this night. Chaperones will not call parents when students leave early.

## ESSENTIAL INFORMATION FOR THE CLASS OF 2012

In a few short days, our seniors will step into the next phase of their lives. For the most part they are anxious for this to happen and are excited about their futures. Life is a series of milestones, but high school graduation has to be one of the most important. It truly is that event that opens many other doors to students. It is the end of childhood and a step into the “real world” that parents and teachers have been talking about for the last four years.

Parents, this is the time of year to keep in close contact with the academic progress of your senior student. We have some seniors who are on a plan with counseling in order to complete all their credits for graduation on June 7th. Do not just assume that your student is doing what needs to be done. Stay in contact with their teachers, Ms. Tucker or one of the administrators to make sure your student is on target.

As the year is quickly coming to an end, we need to make sure that students have everything that is required for graduation pulled together.

### LIBRARY

All library books must be returned to Ms. Stehelin. If a book has been lost, it must be paid for. This is the time to do a sweep of bedrooms and other rooms in the house to find any library books or textbooks that belong to IVHS and get them returned.

### FEES AND FINES

Graduating seniors will not receive their diploma until all fines and fees have been paid. Ms. Hall has kept you and your students informed of these fines. They can still walk at graduation but the diploma cover will not hold their official diploma. Call the school and speak to Ms. Hall if you have questions.

### GRADES

All grades must be cleared by Ms. Tucker by 3:30 PM on June 1st. No extra time will be given to complete coursework in order to walk in graduation. If a student is failing a class or has not completed a class on June 1st that is required for graduation, the student will not walk in graduation. Students may continue working until June 13 in order to earn a 2012 diploma.

### GRADUATION PRACTICE

**There are two graduation practices—both are mandatory—and students must be on time. The first is on Wednesday, June 6th, from 1:00—3:00 PM. It will be in the gym. The second is on Thursday, June 8th, from 10:00 AM —12:00 PM. It will be in the gym or on the football field, depending on the weather. Seniors need to bring their caps and gowns to the Thursday practice where a group photo will be taken. Information on purchasing pictures will be given at the Tuesday practice.**

### 2+2 CREDITS

Many of our vocational classes and a few of our core classes can earn 2+2 credit. These credits are transcribed to RCC and will count in most Oregon Community Colleges and Oregon Universities. The credits are at no cost to the students. We have students who start college with 12 or more credits. Students must have received an A or B in the class to earn credit. Students who have taken 2+2 classes must register before the end of the school year if they want credit. Credits do not transfer into the next year. They will NOT be able to come back in the fall and get those credits transcribed.

## Access to Student Assistance Programs In Reach of Everyone

Students—Aspire is available in the fishbowl on Wednesdays between 1 and 3 to assist them with their college/trade school application or scholarship search. You can also stop by to answer the daily trivia question and receive a prize & view the various scholarship posted on the glass doors of the fishbowl just waiting for students to apply.

Are you aware of anyone interested in encouraging our students to seek further education upon graduation? The ASPIRE program is in need of volunteers willing to work with students a few hours a month. If you know just the right person; a person who is willing and able to guide a student through the sometimes confusing and tedious college and scholarship application process, please have them contact Ms. Bitto at

### TRSD POLICY JN—STUDENT FEES, FINES, & CHARGES

Per district (policy JN) and state law (HB# 3044 passed in 2003), student report cards, diplomas, and/or other school records cannot be released if fines totaling \$50.00 or more are still owed. Transcript transfer requests will be honored.

It is important that these fines are paid in a timely manner as they stay on the record and graduating students who owe fines will not get their diploma until all fines are paid. Sometimes these fines accumulate to over \$300 and this expense is hard on families at the time of graduation. The district may pursue the matter through a private collection agency or other method available to the district.

Certainly, the first thing you should do is to ask your student to look for the missing books, athletic uniforms, etc. If these items can be found and returned to the school, these fines will be removed and the record will be cleared.

## Academic Masters

Academic Masters was a great evening of fun and an educational experience for all who attended at the GPHS Performing Arts Center.

IV was represented by five wonderful students who all did well in their areas and made IV very proud. Our students placed as follows:

Social Studies:	Jamie Sowell—4th place	Science:	Devon DeNoon—3rd place
Math:	Natalie Wellen—3rd place	English:	Daniel Vega—4th place
Music:	Xenia Velasco—3rd place		

Students who took 3rd won a \$500 cash prize and students who took 4th won \$300. IVHS also took home the \$250 cash prize for attendance at the event. That was remarkable since we had the furthest to go.

# Scheduling for 2012-2013

**Monday—June 11** The schedule on this day will be accommodate for check out, an extended CREW, and an end of the year celebration.

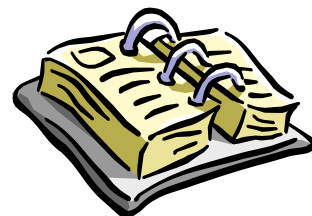

During CREW, all students will be given the schedule for 2012—2103 and given time to work with CREW leaders to design their schedule for next school year. Students will also receive their arena scheduling time for the 12th.

## Tuesday - June 12—Arena Scheduling in the COMMONS

Scheduling for next school year will be on June the 12<sup>th</sup>. This is the last scheduled school day for students. Students currently in 9<sup>th</sup> – 11<sup>th</sup> grade should report to school at the appropriate scheduled times. The schedule this year is done by the number of credits a student has earned to date. All students will be given this information to share with parents, but parents are welcome to call the school if there is any question about the appropriate reporting time. Those students who must ride the bus to and from school will be given some options for what they can do before and after their scheduling times and all of those options will include supervision. One option will be supervised homework areas for students who need to get work completed. Students will **NOT** be allowed to schedule before their allotted time. Parents are welcome to come with their student to scheduling.

## Reporting Times for Scheduling

Time	CREDITS EARNED TO DATE BY STUDENT
9:00 – 9:50	19.5 + credits
9:55 – 10:35	13 – 19 credits
10:40 – 11:50	11.5 – 12.5 credits
<b>12:00 –12:30</b>	<b>Lunch</b>
12:35 – 1:20	5.14 – 11 credits
1:25 – 2:20	5 credits
2:25 – 3:20	Less than 4.75 credits

## IMPORTANT

For students who do not attend arena scheduling, the counselor will do a schedule for them. That schedule will be in place for the beginning of school and will receive the lowest level of priority for schedule change. Because our schedule is going to be more limited than normal, it is important that students are here to get the classes they would like to take. Schedules for incoming 9th graders will be made before scheduling current students who did not show up for arena scheduling.
