

February 5, 2018

Greetings from Babb Elementary,

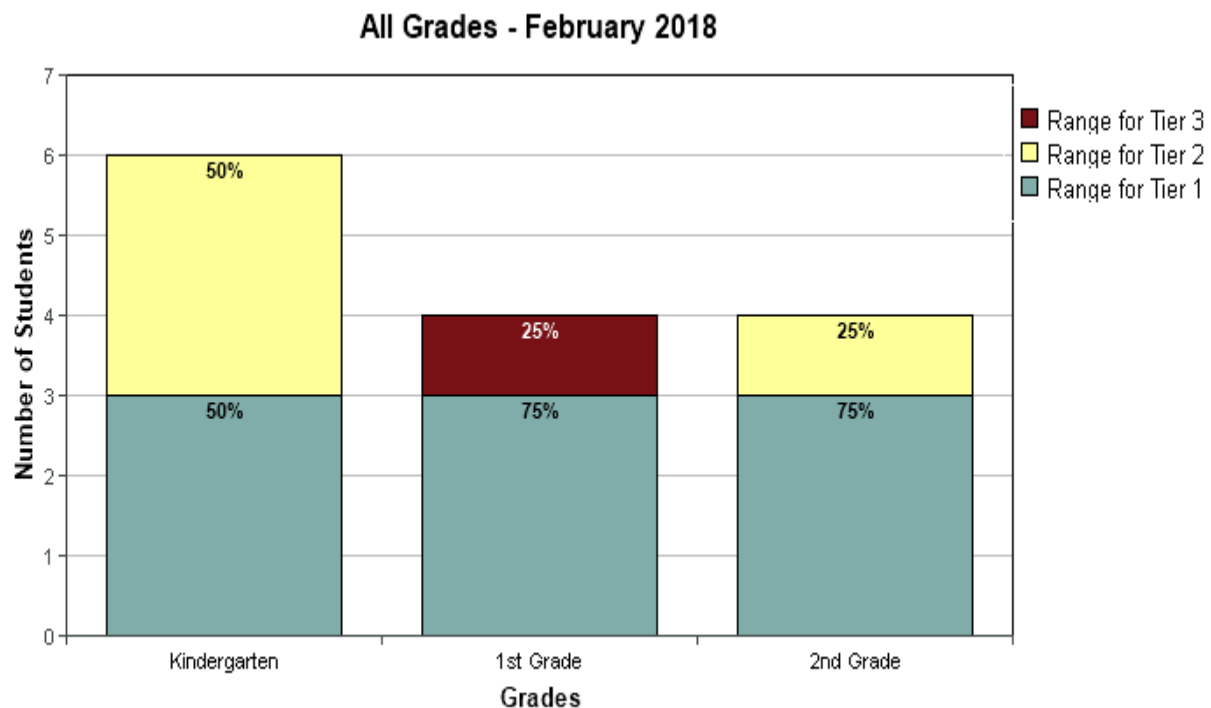

In January the students were able to attend our annual snowshoeing trip in Glacier National Park. The wind was a bit chilly, but overall we had a great learning experience as usual. We also had our 2nd MBI Behavior trip to Cut Bank. We attended the movie "Paddington". 94% of our students had no referrals for 2nd quarter and were able to attend. The criteria for attending the MBI Behavior trips are held quite high. The students are not allowed to get one referral during a given quarter. Unfortunately, two students each earned one referral. We are hoping the students will remain 100% referral free this quarter.

After having a nice break for Christmas our student's attendance has improved. We would like to see an improvement in the attendance rate. We do have to take into consideration that our location plays a major role in absences. Many of the students have no choice but to travel to town with their parents to doctor's appointments, or to even grocery shop. Occasionally we will have students that abuse the attendance policy. It is in those cases where a Home/School Coordinator would be appreciated.

Attached are the ISIP and STAR Math & Reading Data for Ms. Fenner – K-2 and Mrs. Wilcox 3-6.

ISIP™ Reading results for Classroom - J Augare

at Babb Elementary School - 2017/2018 School Year

Number of Students in each Instructional Tier for at Classroom - J Augare
