

TMS Board Report
April 2021

Forward Testing: Forward testing will occur this month for all three middle school grade levels. Questions have been removed from the test this year in order to shorten the amount of time required for completion. Current Tomahawk Virtual School students will be scheduled to take the test on Fridays in April.

Summer Learning: We will be offering a summer learning opportunity in the areas of reading and math beginning Monday, June 7 and concluding on Friday, June 25. I currently have two staff members who have committed to run the programs. Families of students who have been identified as needing additional support will receive a recommendation letter in the coming weeks.

Forensics: 28 students participated in the level 2 competition. 21 students received “excellence” honors and the remaining 7 received “merit” honors. Details are provided in this month's Hatchet Highlights newsletter that is linked at the bottom of this report. We are very proud of these students and coaches for all their hard work and a job well done representing TMS!

MS Spring Athletics: Track will be offered this spring, and will begin on April 12.
