

# Homedale Elementary School Memo

To: Homedale Board of Trustees, Superintendent Rob Sauer  
From: Tate B. Castleton, Principal  
Date: November 4, 2022  
Re: Report to Board of Trustees

**FAMILY MATH NIGHT A SUCCESS!** Our Family Math Night held on October 20<sup>th</sup> was a HUGE success! We estimated that more than 280 families participated in a variety of activities that included math games, obstacle courses, making playdough, and more!

**LOTS OF OTHER FUN ACTIVITIES AT HES:** Along with Family Math Night, it has been a busy few weeks here at HES! Our students enjoyed Wagons Ho!, a visit from our emergency responders, and a Halloween parade, led by our special Grand Marshal, Laura Eubanks!

**RECRUITMENT PARTNERSHIP WITH COSSA:** In an effort to encourage more people to apply for open positions at COSSA, we have joined forces to help promote interest and spread the word! This flier was created and widely shared on all of our communication platforms. Thus far, it has resulted in **five** applicants who are all preparing to start soon at HES!

**HOMEDALE  
ELEMENTARY  
SCHOOL**  
Home of the Trojans

**Come Work  
With Us!**  
*You can make a difference*
