Administrative Procedure - Care of Students with Diabetes ²⁷

The Ill. Council of School Attorneys prepared material for implementing the Care of Students with Diabetes Act (105 ILCS 145/). This material includes:

1. Sample procedures for the care of students with diabetes
24. Answers to FAQs on: Process for selecting a Delegated Care Aide; Training; Developing a diabetes care plan; Classroom management; and Sample Authorization, Release, and Acknowledgement

The material is posted on the IASB website at: iasb.com/law/diabmats.cfm.

School officials should periodically check the IASB website for updates to the material that are made in response to legislation or other developments.

²⁷ See sample policy 7:270, *Administering Medicines to Students*, addressing the administration of medication including self-carry management under a student's diabetes care plan.

²⁸ These procedures must adhere to the academic criteria and suspension term established in school board policy.

²⁹ This provision must be consistent with board policy. Alternatives the board may have selected include:

Alternative 1: ... a student must maintain an overall ____ grade point average and a passing grade [or minimum grade of ____] in each course the student is enrolled.

Alternative 2: ...a student must maintain a passing grade [or minimum grade of ____] in each course the student is enrolled.

Alternative 3: ...a student must satisfy the Illinois High School Association's scholastic standing requirements [doing passing work in at least 25 credit hours of high school work per week].

³⁰ Be sure this procedure is consistent with board policy regarding the persons prohibited from serving as a school volunteer or resource person.

³¹ Optional. Insert the frequency with which the district will require a principal to review these publicly available databases. The databases are updated daily and allow searching by name, city, county, ZIP code, compliance status, or any combination thereof.
