

**ROBSTOWN INDEPENDENT SCHOOL DISTRICT
AGENDA ACTION SHEET**

Date: Feb 9, 2026

Subject: Discuss and consider approval of the 2026–2027 and 2027–2028 Academic Calendars

Administrator Responsible: Joshua Garcia

Position: Director of Teaching & Learning

A. Purpose of Agenda Item:

- ☐ Information Only:
☒ Action Needed:

B. Authority for this Action:

- ☒ Local Policy: EB (Local) – Instructional Program and School Calendar
☒ Law or Rule: Texas Education Code §25.081 (Instructional Days and Hours)

C. Strategic Objective, Goal, or Need Addressed: This action supports district planning and operational effectiveness by establishing approved academic calendars that align instructional time, assessment windows, and professional learning to support student achievement and staff preparedness.

D. Summary: The proposed academic calendars for the 2026–2027 and 2027–2028 school years were developed in collaboration with district leadership and stakeholder input to meet state instructional requirements while supporting instructional continuity and staff professional learning. Both calendars align with Texas Education Code requirements for instructional days and hours and provide consistency for families and staff. Approval of both calendars allows for advanced planning and alignment of district operations.

E. Alternatives Considered: To delay approval of the academic calendars, which would limit the district’s ability to provide advance planning information for families, staff, and operational planning.

F. Comments Received: Feedback was gathered from district and campus leadership, as well as the District Educational Improvement Committee (DEIC) , to inform the development of the proposed calendars and ensure alignment with instructional and operational needs.

G. Administrative Recommendation: Approve the 2026–2027 and 2027–2028 Academic Calendars as presented.

H. Fiscal Impact and Cost: There is no direct fiscal impact associated with approval of the academic calendars. Implementation will occur within existing budgeted resources.

I. Monitoring and Reporting: The approved calendars will be implemented for the respective school years and monitored to ensure continued compliance with state requirements and district operational needs.
