### Notable Highlights:

- Over 100 students/parents Attended "Back to School Night" on August 21, 2014
- Health Fair was received well by all who participated
- All students are current on updated shot records
- Students and Teachers are adjusting to changes made for the upcoming year
- Students are coming to school prepared and ready to learn

### Principal's General Narrative:

The first week of school went really smoothly. Students are getting use to their schedules and school life once again. Teachers are also making the transition from summer life to school life. Staff in-service week went really well and our teachers learned a lot from the professional development provided. We are all looking forward to seeing our cub football, cross country and volleyball players begin their games this month.

Respectfully,

*Christy Price*
