Seating

Adapt, React, Motivate

Activate Your Agility

In a world that never hits pause, staying connected and productive is key. Collaboration drives progress, but it needs smart spaces to make it happen. Enter Motivate. With its dynamic design and versatile optionality, Motivate seating transforms any environment into a vibrant hub of inspiration and teamwork. Ready to spark creativity and keep your team on the move? Motivate does just that and more.

Seating That Moves with You

When it comes to versatile seating, Motivate takes the lead. Each chair is designed for effortless mobility, so you can shift gears from one-on-one meetings to dynamic group sessions without missing a beat. With an array of styles, finishes, legs, arms, colors, fabrics, casters, and glides—or whether you prefer plastic, mesh, or upholstery—Motivate adapts to fit every need and occasion with flair and function.

An All-Day Team Player

From quick huddles to lengthy training sessions, Motivate keeps you comfortable, creative, and productive. Its clever design follows your every move, easing pressure points and supporting you no matter how you sit or how long you stay. So, whether you're jumping into a brief brainstorming session or settling in for a marathon meeting, Motivate's got your back (and your seat) covered.

4-WAY STRETCH MESH
Optional stretch mesh offers exceptional breathability and comfort.

PLASTIC SHELL BACKREST
Easily cleanable and available in a variety of colors, the one-piece plastic shell is a practical choice.

SEAT & BACK FABRICS
Adaptable to any aesthetic or need, optional seat and back fabrics offer a variety of choices.

FORM & FUNCTION
Flexible chair back technology provides intuitive balance and lumbar support.

NESTING & STACKING CHAIRS
Ideal for multipurpose spaces, nesting and stacking chairs are designed to be stored together when not in use.

OPTIONAL ARMS
Need additional support? Optional arms are available on all Motivate models.

CASTERS & GLIDES
Mobility is Motivate's superpower—smooth rolling casters or agile glides energize any space.

HIGH-DENSITY STACKER CART
This convenient cart holds up to 40 sled base high-density stacking chairs, making it perfect for training rooms.

TABLET ARM
Handy and durable, the optional tablet arm can be specified for left- or right-side use on a 4-leg Motivate chair.

"Our intent with Motivate is to respond to the changing work place trends by designing/developing a broad platform of contemporary multi-use furniture that has a common design language."

Wolfgang Deisig
Deisig Design
