RE: 2026 Roof Replacement  
Project Number: 1364-2025057

Dear Maria,

On 21 January 2026, Antioch CCSD 34 received and opened bids for the 2026 Roof Replacement project. Three bids were received. The bid tabulation sheet is attached summarizing the bids received.

As part of the bidding documents, two alternate bids were requested for this contract. A summary of each alternate is below.

*Alternate 01 - Additional cost of \$284,400 to replace the roof in Roof Areas H, J, M, N, and P. We recommend accepting this alternate.*

*Alternate 02 - Additional cost of \$978,800.00 to replace the roof in Roof Areas A, C, D, and E. We recommend accepting this alternate.*

The apparent low base bid plus Alternate 01 and Alternate 02 cost was submitted by Prate Roofing & Installations, PLLC. at \$2,891,220.00. Upon review of their bid, it was discovered that they had omissions and deficiencies. The contractor requested a withdrawal of their bid.

G. E. Riddiford Company, Inc. submitted the next lowest base bid and alternate values. GreenAssociates reviewed the scope of work with G. E. Riddiford, Inc., and their bid form and supporting documents were reviewed. References came back positive about their past performance, and they have successfully completed numerous projects with GreenAssociates. In addition, we conducted a scope review with the contractor. Based on these conversations, we believe the contractor has a thorough understanding of the intent of the construction documents, the scope of work involved, as well as the timeline for completion.

We see no reason not to award a contract for the Base Bid, Alternate 01, and Alternate 02 to G. E. Riddiford Company, Inc. in the total amount of **\$3,697,600.00**. If you have any questions concerning this information or would like to discuss it further, please do not hesitate to contact me.

Sincerely,

Aaron Woessner, AIA, LEED AP BD+C  
Associate Principal
