Background Information:

Central Counties Services (CCS) provides outpatient mental health services to children and adolescents. The proposed Memorandum of Understanding with CCS will allow CCS to continue to provide these services to students during the school day at the campus. Services will be provided during mutually agreed times that do not interrupt academic time for students, such as during lunch, electives or study skills times. CCS is serving students at the request of parents who have initiated services and met CCS requirements.

Fiscal Implications:

None.
