Greetings Levelock Parents and Community Members,

First and foremost, a big thank you to those who joined us at the school on Monday to discuss what we can do to help the school and ensure student and staff safety.

We discussed this in the meeting but I wanted to share that we are going to continue to keep the campus closed with the doors locked during school hours. Staff will be at the front door to greet the students in the morning and to see them off at the end of the school day, other than this the district has asked Levelock School to keep their doors locked.

If you would like to visit a classroom, talk with a teacher or have lunch with your son or daughter please let Joe know by calling the school or his cell.

Thank you for your understanding.

Sincerely,
