Board Agenda Item Request

AGENDA ITEM: Action Item - Administrator Contracts for 2025-26

PURPOSE: Board approval required

MEETING DATE: May 21, 2025

PREPARED BY: Lisa Arnold

SUMMARY

This is part of our annual budget process.

Superintendent Recommendation

For all administrators who are returning from the 2024-25 school year, I recommend a two year contract. Because Interest Based Bargaining (IBB) has not yet begun and the outcome of the levy is unknown at the time of this board agenda posting, I recommend that the administrators salary compensation be determined at the conclusion of IBB.
