Food Service Building Report

The Food Service Program total meals served to students for March 2026 are below (15 days of meals)

Breakfast: 12,654 meals

Lunches: 19,029 meals

Supper Program: 349 meals

The Food Service Program is in the process of completing the Summer Food Program (SFSP) application 26-27, and the School Nutrition Program (SNP) for Breakfast/Lunch for SY 26-27.

The kitchens had a freezer/cooler clear-out before spring break.

We are encouraging the sports/clubs/ recreational activities to utilize the Supper Program to ensure the students have a supper meal. The supper program is beginning to grow in number during this spring season. The Supper Program ends for the school year on May 31st and will resume September 1, 2026.

The Ware house has been working very hard daily to carry out their daily operations including the assistance they provide for the school kitchens, food deliveries, and mail. And, the warehouse clerks have started arranging/organizing the warehouse for the upcoming Summer Food Service Program (SFSP).

The food service program does have vacancies; (1) assistant cooks at Napi kitchen, (1) assistant cook at Supper Program.

The County Sanitarian has recently completed the Food Establishment Inspections for all kitchens on April 14, 2026

At this time, the copy center clerk has been extremely busy with copy orders in preparing for the upcoming events, and getting orders complete. The copy center clerk has just recently finished printing ballots for school board elections. And, copy center is getting ready for the upcoming summer season and the printing orders for the new school year.

The food service program is collaborating with the USDA Team Nutrition Grant which will allow BPS to Collaborate with FAST Blackfeet and the USDA Nutrition Team (Molly Stenburg,-MSU, Jay Stagg-Farm to School). On April 10th, we had a Culinary Knife Skills Training with Team Nutrition, FAST Blackfeet, and Chef Seth Stillsmoking.

The food service program looks forward to feeding the kids and happy tummies!

Attached are the reimbursements for March 2026 for the school meals, the Supper Program (CACFP), and Pictures from the Culinary Training.
