

## **Extra Mile Award Nomination: Diane Morin**

**Position:** Head Administrative Assistant

**School:** Roy Junior High

There are people who make a school run, and then there are people who make a school *shine*. Diane Morin is the heart of Roy Junior High. From the moment you walk into our front office, you can feel her warmth, kindness, and calm presence. She has a gift for making everyone-students, parents, and staff-feel seen, cared for, and valued.

Diane goes above and beyond every single day. She makes sure teachers have what they need to teach, supports substitutes so they feel confident and welcome, and somehow manages to take care of every little thing that helps our school run smoothly. She recognizes and celebrates the efforts of our faculty and staff, always finding small ways to make people feel appreciated and valued.

Beyond her office duties, Diane runs our school food pantry, ensuring families in need are supported and connected with community resources. Her compassion extends far beyond the walls of our school-she embodies what it means to serve others with heart.

The students at Roy Junior absolutely love her. She knows their names, listens to their stories, and cheers for their successes. Diane truly believes Roy Junior has the best kids in all of Weber School District-and she proves it every day through her actions.

Diane is our rock, our cheerleader, and our calm in the storm. I honestly can't imagine Roy Junior High without her. Diane doesn't just go the extra mile-she *is* the extra mile.
