Superintendent  
Soda Springs School District  
250 East 2<sup>nd</sup> South

Dear Dr. Stein and School Board,

I am sad to say that I will be resigning after this school year (2019-2020) and will not be teaching next year. I truly have enjoyed working for the Soda Springs School District and will happily do so again in the future when the time is right.

My reason for resigning is because my husband and I are starting our own family and are expecting our first baby in September. At that point, my plan is to remain at home where I will care for the baby and also eventually work from home for a time. Because I have enjoyed teaching so much, my hope is to teach online, tutor local children, build lesson plans, or do something related to teaching.

I am truly grateful for the opportunity you have given me to teach at Tigert Middle School. Because this was my first year of teaching, I was not entirely sure what to expect by being a full-time member of the team. However, working with the staff and teachers there has taught me so much and has shown me just how great teaching can be. I will miss working there. Thank you once again for the wonderful opportunity you have given me.

Sincerely,

*Anna Medina*
