Greetings from HHS!

We are excited about the start to another great school year here at HHS! The first weeks of school are always exciting as we get to see the faces of our students and they get to reunite with their classmates. Thank you for entrusting our staff and administration with the education of your child this school year. Together with the efforts of community, parents, family and staff alike we feel that we can provide a top notch education for each and every one of our students!

This will be our fourth year in which we have been afforded a fantastic opportunity to work with PBIS (Positive Behavior Interventions & Supports) through a multimillion dollar grant that was received by Boise State University. In working with our PBIS trainers and as we implement PBIS in our schools, district wide I would encourage everyone to ask about PBIS and to become more familiar with what PBIS is all about. We feel that in order to create a welcoming, inclusive culture of family. Our staff and student body will emphasize the characteristics of respect, responsibility, safety, and keeping a positive attitude. The "Homedale Way" will be our guiding slogan as we work to build on our existing Homedale traditions with a new commitment to emphasize our community's core values! With the help of PBIS we hope that this school year is representative of what our commitments are as a school and as a district! I strongly encourage all parents to be sure and engage in your students learning here at HHS. Please make sure you have access to grades through Lumen and access to our communication tool Remind. We look forward to our work together in making your child's learning experience the best possible. Let's make this the best year yet here at HHS!
