ADDITIONAL INFORMATION AND/OR BACK-UP:

On May 3, 2025, SBISD voters approved three propositions under the proposed 2025 Bond Plan totaling \$558.6 million for improvements to aging athletics facilities and infrastructure at the district's four comprehensive high schools (Proposition A), renovations and additions to Darrell Tully Stadium and Don Coleman Coliseum (Proposition B), and relocation and rebuilding of the W.W. Emmons Natatorium (Proposition C).

To ensure the district remains faithful to the priorities identified in the 2025 Bond Plan, it is recommended that the Board of Trustees appoint a Bond Oversight Committee to serve in an advisory capacity to the Board of Trustees and the district's senior staff. As historical context, there was a bond oversight committee for the 2007 bond, and there is an oversight committee in place for the 2017 and 2022 bonds.

The proposed Charge and Composition for the 2025 Bond Oversight Committee is provided as backup and aligns with the board-approved Charge and Composition for the 2017 and 2022 Bond Oversight Committee.
