**MEETING DATE:** September 16, 2013

**AGENDA ITEM:** Consider approval of the memorandum-of-understanding between Aledo ISD and the Aledo Education Foundation

**PRESENTER:** Dr. Derek Citty

**ALIGNS TO BOARD GOAL(S):**

3.3 The district will be an involved member in appropriate civic, municipal and charitable organizations in the Aledo ISD Community.

3.4 The district will provide public communication forum opportunities and continue to work with the members of the community to garner support for the mission and goals of the district.

5.5 The district will identify and pursue new revenue opportunities.

**Background Information:** The Aledo Education Foundation has been working since its inception to carefully and thoughtfully develop a foundation that will exist for many years to come. A significant portion of this work surrounds a basic understanding between the foundation and district related to the efforts of each.

Of particular note is the language which outlines the use of the district's trademarked logo. As you will see, this language points toward district policy.

**Administrative Considerations:**

**FISCAL NOTE:** If Trustees choose to approve this request there is no known impact to the 2013-14 operating fund of AISD.

**Administrative Recommendation:** Administration recommends approval of the memorandum-of-understanding, as presented.
