

Get to Know Michigan CLASS

Serving Approx. 910 Participants

Michigan CLASS is a local government investment pool that allows public agencies, such as yours, to pool funds together to collectively earn dividends on investments. Our goal is, and has always been, to provide competitive yields while adhering to all objectives of safety and liquidity. Michigan CLASS carries a 'AAAm' rating from S&P Global Ratings.

Portfolio Allocation

The Michigan CLASS portfolio investment strategy prioritizes minimizing market risk and enhancing safety via diversified investments. Funds of the Participants are invested in prime or high grade, short-term fixed income instruments as illustrated to the left.

Data as of 02/28/2025. Data unaudited. Charts and/or values presented may not add up precisely to absolute figures due to rounding. Many factors affect performance including changes in market conditions and interest rates and in response to other economic, political, or financial developments. Investment involves risk including the possible loss of principal. No assurance can be given that the performance objectives of a given strategy will be achieved. Michigan CLASS is not a bank. An investment in Michigan CLASS is not insured or guaranteed by the Federal Deposit Insurance Corporation or any other government agency. Although the Michigan CLASS stable NAV fund(s) seek to preserve the value of your investment at \$1.00 per share, this is not guaranteed. A 'AAAm' rating by S&P Global Ratings is obtained after S&P evaluates a number of factors including credit quality, market price exposure, and management. For a full description on rating methodology, please visit www.spglobal.com. Ratings are subject to change and do not remove credit risk. Please review the applicable Information Statement(s) before investing. **Past performance is no guarantee of future results. Any financial and/or investment decision may incur losses.**
